Proposal for Liberalisation of Tea Industry and Tea Export Policy

786. SHRI GOVINDRAO ADIK: Will the Minister of COMMERCE be pleased to state:

(a) whether there is any proposal under Government's consideration for further liberalisation of the tea industry and tea export policy; and

(b) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI P. CHIDAMBARAM): (a) and (b) A number of liberalisation measures have been taken by the Government in recent years. During the past two months the following steps have been taken to relax various controls on tea industry:—

(1) Provisions regarding issue of Shipment Licence have been reviewed by the Government and it has been declined that henceforth shipment licences will not be required by the exporters for each shipment. Necessary instructions have accordingly been issued by the Tea Board to the exporting community on 9th June, 1995.

(2) The provision of yearly renewal of exporter's licence for tea exports was replaced sometime ago by liberalised procedure whereby renewal of licence was required only after 3 years. This provision has been further liberalised and henceforth exporter's licence shall be issued by the Tea Board initially for 3 years to an exporter and if there is no default on the part of the exporter, it would be converted into a permanent licence. However, subsequently, if there is any default on the part of the exporter, he shall again be placed on a 3 year watch list or his licence may be revoked. Necessary amendments to Tea (Distribution & Export) Control Order in this regard were notified on 7th Jyly, 1995.

Liberalisation of various control orders is a continual process. Further liuberalisation of various regulations governing the tea industry will be taken up as and when considered necessary.
